Madrid - Spain

www.linkedin.com/in/javiergarcif

LANGUAGES

- Spanish (Native)
- English (C1)

TECHNICAL SKILLS

- Software: Python, Matlab (basic)
- Front-End: HTML, CSS, JS (basic)
- Modeling: Blender, AutoCAD (basic)
- AI: ML (basic), generative AI (basic)

SOFT SKILLS

- Discipline
- Adaptability
- Teamwork
- Effective Communication
- Critical Thinking

INTERESTS

- Sports: I exercise regularly.
- Entrepreneurship: I find joy in developing different projects.
- Travelling: I love experiencing different cultures and expanding my global perspective.

PROFILE

Passionate aerospace engineering student with a strong work ethic, an interest in space exploration, and experience in coding, 3D modeling, and international academic programs. Eager to keep improving my skills and learning new ones in a challenging technical environment.

EDUCATION

BSc in Aerospace Engineering 2024 - Present
Universidad Politécnica de Madrid (ETSIAE)
1st Year: 8.12/10; Honor in Mathematics I

Baccalaureate (STEM) 2022 - 2024
IES Gregorio Peces Barba
Final Grade: 9.53/10
EVAU (University entrance exam): 13.175/14

INTERNATIONAL EXPERIENCE

Summer School Course (4 Weeks) (July-August) 2025
Beijing Institute of Technology, Beijing, China.

- Completed a 64-hour intensive program in advanced electronic engineering (Final grade: 93/100).
- Team Leader of a project developing a functional electronic irrigation system.
- Coordinated an international team, managed task allocation, and oversaw system integration.

Erasmus+ Program (6 Weeks) (June-July) 2024
Staatl. Luitpold-Gymnasium, Munich, Germany.

- Competitive selection process requiring academic performance, extracurricular activities, and a personal statement.
- Gained valuable experience in adapting to new educational environments, independence and global perspective.
- It helped me enhance my english and communication skills.

Erasmus Exchange Program (10 Days) (March) 2023
Liceo Statale "Pitagora" di Selargius, Cagliari, Italia

- My first time as an international student, which helped me develop personal and communication skills.
- It was a valuable experience that helped me get comfortable with staying away from home.

AWARDS AND HONORS

Santander Scholarship 2025
Awarded for strong academic performance (8.12/10)

Baccalaureate Honor's Distinction 2024
Top academic achiever
